| | | | | | | | |

Psych 301 is a prerequisite for ALL upper-level research courses. Many have other prerequisites as well. Please check the Undergraduate Catalog and the course descriptions on CAESAR for information on any additional prerequisites for specific upper-level research courses. You may not take Psych 301 concurrently with an upper-level research course. Freshman cannot take Psych 301. (previously Psych 205)

Column and Row Designations (see [table of major requirements](#))

Column: A = social/personality/clinical; B = cognitive/neuroscience; C = cross-cutting/integrative

Row: 1 = foundation courses; 2 = upper-level research courses

Psychology and Cognitive Science majors and minors can preregister for most courses through CAESAR the week prior to registration. Times are announced by the Registrar's Office. You can preregister for a maximum of 2 courses.

For Psych 397 and 399, download an application from the department website (you can find it [here](#)). Fill it out and have it signed by the professor with whom you will be working. Then return it to the department office to receive permission to take the course. Psych 398-1,2,3 is sequential with 398-1 offered in Fall quarter, 398-2 in Winter, and 398-3 in Spring.
