**** Psych 205 is a prerequisite for ALL upper-level research courses. Many have other prerequisites as well.**

¹ **Column and Row Designations** (see [table of major requirements](#))

Column: A = social/personality/clinical; B = cognitive/neuroscience; C = other

Row: 1 = foundation courses; 2 = upper-level research courses

Preregistration, Permission, and Other Enrollment Notes:

² Psychology and Cognitive Science majors and minors can preregister for most courses through CAESAR the week prior to registration. Times are announced by the Registrar's Office. You can preregister for a maximum of 2 courses.

³ For 397 and 399, get an application from the department office. Fill it out and have it signed by the professor with whom you will be working. Then take it to the department office and get a permission number. For 398, get a permission number from the department office; you must be on the list provided by the honors coordinator, Prof. Uttal.

⁴ For 205-0-22 with *Dan Molden*, sign up for the Tuesday lecture and pick one discussion section on Thursday. The class meets all together on Tuesday and splits into computer lab discussion sections on Thursday.

⁵ To register for 218, you must also sign up for one of 4 discussion sections (Friday at 9am, 10am, 11am or 11am) The class meets Mon/Wed for lecture and splits into discussion sections on Fridays.
